

## BSAC Instructor

### Adventurous Training Foundation Wing Castlemartin ATFW(C)

**Location:** Merrion Camp, Pembrokeshire, SA71 5RH

**Salary:** £140/day fee earner contract (contact for more information)

**Working pattern:** Mon-Fri, Apr-Nov (dates available on request)

**Applications by:** Friday 25th August 2017

#### Job Description

The Adventurous Training Foundation Wing (Castlemartin) is based on the Castlemartin Range in Pembrokeshire and delivers a range of Adventurous Training (AT) activities to members of the Armed Forces. The Aim of the Joint Service Adventurous Training is to promote, through the conduct of arduous outdoor activities with exposure to hardship and danger, the Army's core values, leadership, teamwork and other qualities necessary to enhance the Operational effectiveness of all military personnel.

The Sub-aqua Diving team deliver BSAC Ocean Diver and BSAC Sports Diver Courses throughout the diving season from mid-April to mid-November under the Joint Services diving regulations. Courses are run Monday to Friday around Pembrokeshire area, with occasional courses run at the National Diving and Activity Centre (NDAC), Chepstow, in bad weather.

The successful candidate will be responsible for training of divers to Ocean Diver or Sports Diver level, with the occasional Dive Leader lessons for incremental staff. Secondary tasks include equipment and RHIB maintenance, cylinder filling, and acting as a safety diver for other instructors.

#### Person specification

The candidate must be able to demonstrate experience training divers using the BSAC syllabus

#### Qualifications (*Essential*)

- BSAC Advanced Diver
- BSAC Open Water Instructor
- BSAC Diver Coxswain

#### Qualifications (*Desirable*)

- BSAC Advanced Instructor
- Sub Aqua Diving Supervisor (ESADS or BSADS)

In addition, the candidate must have

- HSE diving medical
- BSAC membership

#### Apply

To apply, please submit your CV and cover letter to the Chief Instructor Dr Fran Hockley. Candidates may be asked to supply references, attend an interview and complete induction training.
